F. CLASSIC TOBOGGAN

You never know when you might find the perfect slope. Be sure to travel with the Land Rover Toboggan on those expeditions that take you off road in a different way. Beautifully crafted from steambent northern hardwood slats this toboggan was custom built by L.L. Bean in Canada the old-fashioned way from strong materials screwed together for durability. The cushion has a non-slip woven polyester shell filled with 1 1/2" insulating polyurethane foam. Red/Green cushion is Red on one side, Green on the other. Land Rover badge is stamped on a mounted brass plaque. Size: Classic 72"L x 153/4"W. 14 lb US \$125.00 / CA \$162.50
LRH103

G. IPOD NANO COVER

Protect your Land Rover iPod with this custom designed Land Rover Nano cover. It has an exciting stylish design and is constructed of a durable material to ensure the safety of your favorite music. Comes with a belt clip for active lifestyles. The Land Rover logo is screened in white on the center of the cover beneath the screen protector.
LRH109 Black US \$50.00 / CA \$65.00

H. CUSTOM 2GB IPOD NANO

Store up to 500 songs in this 3.6-ounce, stain- and scratch-resistant, anodized aluminum iPod, which is smaller than many cell phones and comes with a dock connector, remote connector and stereo mini-jack. The newest technology from Apple is now available in Supercharged Range Rover Sport vesuvius orange. The Land Rover Nano has up to 14 hours of battery life and stores songs or photos in its .27-inch thin body. Nano comes with a dock connector that fits an entire ecosystem of iPod accessories. Limited-edition. Only 500 will be produced. Available only through Land Rover GEAR.
LRH498 Vesuvius US \$299.00 / CA \$389.00

I. SNOW BOARDER BEAR - VERMONT TEDDY BEAR

This Vermont Teddy Bear is looking to take the family snowboarding. Made with fine materials and soft fabric this Land Rover classic will prove to be a valuable passenger on your next road trip. The newest addition to the Land Rover plush collection, the 15" Bear comes with radical shades, parka, snow pants, "Air Bear" toque, a wild snowboard, a gift chocolate and a holiday gift card all perfectly packaged in the traditional Vermont Teddy Bear box complete with air hole.

D. CANNONDALE MOUNTAIN BIKE

Cannondale's Rush is a high-tech bike with everything you need for cross-country trails and free riding. Its light weight and low bottom bracket allow it handle like a cross-country racer while its 110mm of balanced travel front and rear gives you the shock absorption to out-descend cross-country rigs. The Rush is perfect for technical epics and buff single-track alike, and the Lefty fork and Fox rear shock are adjustable to dial in a sweet setup for any rider and terrain. Plus, the Shimano/SRAM drive train and Avid disc brakes provide superb shifting and great stopping power in all conditions. This is the same bike used by Christoph Sauser to win the 2005 world cup final. Now you can own one made specifically for Land Rover. Limited-edition. Available only through Land Rover GEAR.
 LRH497 Vesuvius US \$1600.00 / CA \$2100.00
