- In order to obtain service under the Audi Care program, the vehicle must be brought to an authorized Audi dealership in the United States or Canada.
- Audi Care plans are non-cancelable and non-refundable. No refund will be given if the lease is terminated early or if the lease term is less than the coverage period (Exception: If a vehicle is "totaled" we will reimburse the vehicle owner \$100 for each remaining maintenance).
- The Audi Care Plan is non-transferable to subsequent vehicles purchased by the same owner. The remaining coverage stays with the vehicle. No transfer fees are applied to the new vehicle owner.
- If a vehicle is put into CPO status and is within the first year or 12,000 miles, a customer can choose to purchase both the new vehicle and Certified pre-owned Audi Care plan.
